Welcome to Board and Paper Laminators

Board and Paper Laminators was established in 1990 and since then has grown at a positive rate. The growth has not only been in the form of expansion but also the machinery and way of working have also been revolutionary. At Board & Paper Laminators, we strongly believe in providing quality made products due to which our goodwill is our number 1 priority.

ABOUT US

- We, "Board & Paper Laminators", an ISO 9001:2015 certified company, are one of the prominent manufacturers, suppliers, exporters & wholesalers of a wide range of Paper Tubes, Cores, Composite Containers, Paper Based Fiber Drums and Edge Protectors. Our organization has always been innovation-driven, and thus, we are the first manufacturer of spiral paper-based fibre drum in Northern India. Our products are acknowledged for being precision-engineered, high in strength and for long working life.
- Our proficient technocrats continuously engage themselves in improving the quality of our range. By stringently checking our products on various parameters, our quality experts ensure that only the best products are delivered to our clients. Our sophisticated infrastructure enables us to work on the modifications stated by clients and develop a customer-centric product. We efficiently customize our range on the basis of specifications suggested by the clients.
- Under the guidance of our mentor Mr. Rajesh Bansal, we have achieved tremendous growth and success. His principles and motivational character have successfully led the team and management as one cohesive unit.
